Sustainable Development Goals

Sustainable Development Goals (SDGs) zijn de opvolgers van de millenniumdoelen. Deze moeten een eind maken aan armoede, ongelijkheid en klimaatverandering in 2030.

Recente artikelen

In deze SDG kennisbank vind je als student, docent en werkveld partner informatie en inspiratie over de Sustainable Development Goals.

SDGs on stage

Obstacles

- **Break through the status quo**

- No students without content
- No companies without students
- No vacancies without companies
- No impact without vacancies

**STUDENTS STUDENTS
STUDENTS!!!!**

- **Ownership founding and new partners**

- **Ambition and budget in balance**

1st next step

DuurzaamBedrijfsleven becomes project manager
